# HOW THE NJPPC SUPPORTS YOU, YOUR PRACTICE, AND YOUR PATIENTS

## SUPPORT AND REFERRAL:

- Access to a Child and Adolescent Psychiatrist (CAP) for curbside consults, a free one-time psychiatric evaluation, and ongoing collaboration for care.
- Licensed mental health professionals to provide ongoing support with patient care including:  
Care coordination and referral to mental health resources in the community.

## TRAINING AND QUALITY IMPROVEMENT:

- Monthly opportunities to obtain CME credit and MOC Part 2 points
